Food export with decades of experience

Altezza is a familial food and non-food trading company based in the South of France, near Marseille. Over the years we have built a network of trusted suppliers from the EU & Asia. Our assortment covers **primary/raw materials** for cooking such oil, salt, herbs, milk and butter as well as frozen vegetables. In addition offer **semi-finished goods** perfect for further preparation like pizza sauce or vegetable mixes as well as **finished products** like meat dishes or other ready-to-eat dishes.

Depending on the nature of the product, we offer **fresh, frozen or dry** items. Moreover our product range also includes **Halal** meat or **organic** vegetables.

Our product range

- **Meat products** from various sources (chicken, duck, pork, beef)
- **French fries** and other **vegetable products** and **fruits**
- **Dairy products:** milk, butter, whipping cream, cheese, yogurt, whey/milk powder
- **Groceries:** rice and cereals, jams and sauces, sun flower and olive oil, canned products
- **Pastry and snacks**, such as madeleines, muffins and tartes in various flavours
- **Alcoholic** and **non-alcoholic beverages**
- **pet food**

- **Hygiene products:** baby diapers, detergents (clothes), etc.
- **Professional garments/clothing**
- **Food contact materials (recyclable)** : plates, cups, cutlery, packaging, etc.

This list is non-exhaustive and steadily evolving on ongoing trends and specific requests.

Our competence is at Your service!

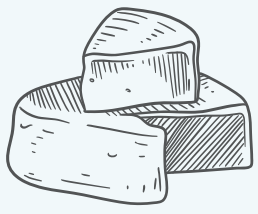

Thanks to our long-term expertise in logistics relationship with our trusted suppliers, we are able to trade products at high volumes thereby being able to offer them at **attractive price points** to our clients. As we are **reactive** to trends, we are steadily evolving our supplier network based on global trends as well as **adapted** to our clients special needs.

Not only are we representing the brands of our suppliers abroad as a **brand agent**, but our assortment also includes our **own private label products** with appealing designs developped in collaboration with well-established partners.

As trading company one of our core expertise is moreover the organization of the logistics of the merchandise. Thus, we are arranging **container composition** and transportation depending on the **Incoterm** agreement, as well as **monitoring** and **follow-up** of the different stages along the logistic process.
